

## HARROW VISUAL ARTS FORUM

The Harrow Visual Arts Forum (HVAF) is a constituted organisation managed by artists. Our aims are to provide opportunities for local artists to work together for their common interests and to provide a network of support and information to enable the sharing of skills, experience and knowledge both within the Borough and further a field.

Membership of the Forum is open to any artist over 18 years of age living or working in the London Borough of Harrow or who wishes to be associated with the visual arts in the Borough

Meetings will be held monthly or thereabouts providing the opportunity to discuss topics of general or special interest (with or without outside speakers), practical issues, interchange of ideas and reports from special interest or subgroups.
