Dear Members,

I would like to thank everybody that has been involved in the creation & delivery of our summer projects "painted by u & HVAF info booth" and the Creative workshops at the "Under one Sky event. A MEGA thanks to the HVAF committee members that volunteered their time to organise & support our Artist in being part of two major Harrow public events. We would also like to thank Ach for funding our Arts festival event & Harrow arts unit for funding workshops for "under one sky"

- **"UNDER ONE SKY"** creative workshops were held on the 02/07/06 check out the images of the event on our website gallery page www.harrowvisualarts.com. Rachael Williamson our education & inclusion officer organised the event over a month, liaising with arts unit, zoom & workshop leaders to create quality creative workshops. Tammara Mattingly HVAF Chair supported the Artist at the event as unluckily Rachael was off to Ibiza! Well done to all the HVAF artists involved : >
Creative mask making: Ruth & Selena Samuels

- **"PAINTED BY YOU"** This Artist led event was held on 08/07/06. Painted by U was during the "Art Festival Street Day", opposite Debenhams in Harrow Town Centre. Tammara Mattingly, Belinda Davies and Ruth Samuels lead an inter-active street workshop. That encourage the public to paint the canvas provided, in a painted by numbers fashion. Alongside this, we offered several artists the chance to paint live and promote themselves; Danny Green & Sarwat Minhas were at their own canvas with the public showing great interest in their work. The public attending the street festival responded positively with people of all ages & culture taking the opportunity to create a master piece with the guidance of a professional Artist. Thank you to the artist Lawrence Matthias for all your help in the preparation & the use of your large easel at the HVAF event. Thank you to our exhibition officer Uchenna Odukwe assisting in organising the painted by u event. Check out the prep work & event day on www.harrowvisualarts.com
- **Information Booth HVAF Arts festival** thank you to Tim & Lynn Oelman for volunteering to organise booth info booth & creating flyers for use to use during promotion on the 08/07/06 during the street festival in central harrow and thank you to all our artist that turned up to support the day event. Francis Smith, Gilda baron, Angela Pearcey and Selena Samuels. Marianne Metcalf also gave a live demo all day within the st.anns shopping centre which we would like to congratulate her on as she took the time to transport her loom to the shopping centre which is a great treat for the public to view.
- **Next HVAF meeting:** will be at 7:30 on the 28/07/06 at the Hatch end arts in the centre this will be a feedback session for our summer projects so we would like to request everybody involved to attend and to bring and invoices or expense receipts
- To save on HVAf cost this letter will be available to download from our website and we will in the future need to know who can download & who we have to post too. The cost of our mail out last month was over £28.00
